Mortehoe Parish Council
County Councillors Report
June 2023

North Devon Link Road From 6am on Friday 16th June at Borners Bridge a roundabout will be operational. A new road layout will be in place. Whilst this is not the final design, the roundabout is accessible for the residents of North Molton, whilst Station Road remains as left turn only.

There are new speed restrictions in place for the safety of the workforce and speed cameras are in place it is now 30mph

Recycled Bikes available at Recycling Centres.
Fully serviced, reconditioned bikes are on sale at many of Devon's recycling centres from this week.
This week is international Bike Week (5-11 June) and this initiative will reduce waste and offer more people access to cycling.
With some brands of bike as much as 20 per cent more expensive than a year ago, it offers those who want to saddle up a chance to do so at an affordable price.
A specially trained team at SUEZ, who run the recycling centres on Devon County Council's (DCC) behalf, will repair the bikes from their new 'Re-Cycle Hub' at the Brunel Road facility in Newton
Abbot.
They will repair old bikes, no longer wanted by Devon residents, and give them a new lease of life.
They will then sell them through the network of reuse shops in Devon's recycling centres. Each bike will be serviced and include a warranty.

Each year an estimated 10,000 bikes come through the recycling centres in Devon as residents outgrow them, break them or get frustrated that they're taking up valuable space in the garage.
£2 Bus fare until October 2023
Bus users will pay no more than £2 for a single journey when boarding the bus anytime until end October 2023. The fare will then be £2.50 from November 2023 to November 2024.

For more information on the £2 single fares scheme, terms and conditions and exclusions, visit
the Travel Devon website.
On Street Parking, I know Parish Councillors are aware of the increased enforcement this year and the night/early morning patrols. We are still recruiting and hopeful of more activity as the workforce increases.
On the last Bank Holiday weekend there were tickets issued Saturday night 63 and Sunday night of 45.
The link below has a box for reporting parking infringements.
